Libby Sims, Treasurer's Report – 6th Grade Social was a success...expenses are at budgeted amounts; \$500 deposit paid to the city for use of the park will be reimbursed.

Committee Reports –

- 6th Grade Social – Had approx. 90% attendance. 353 Tickets sold. Outdoors was good & kept them busy. They ate less too.
- Spirit Night – Menchie's donated extra money due to low participation. Interested in doing it again in the Spring. Next is Stefano's October 25th-27th.
- Teacher's Birthdays – October was great. Next is November 5th & Thanksgiving theme. Sign-up Genius will be implemented for donations again.
- Spirit Store – Will be set-up on October 19th during lunch periods. Will have lots of items for sale including football themed and blue flags. If all items are sold for the year, we'll make \$4K, maybe more.
- Candy (Boo) Grams – Will be sold October 27th-29th during lunch periods; to be delivered in 7th period classes on the 29th. Selling mostly candy, but a few small trinkets/toys. Sign-up Genius for volunteers to go out next week. Next two times will be for Christmas in December and Valentine's in February.
- 7th & 8th Grade Social – Will be on October 22nd 5:00pm-6:30pm. Tickets for sale online now and at lunch October 21st & 22nd @\$25/ea...will receive wristbands. Event will have

dinner, bounce/inflatable games, DJ, photo booth, \$1 drinks & candy. Bussing available from FJH to FHS for homecoming game with parent permission slip. Parent must collect child at the game gate. Need to check if another adult other than parent can collect child at FHS. Game tickets not sold by FJH or PTO...must purchase through FHS.
