Approval of November Minutes: Maria Karg approved. Charis Pollard Second. Minutes Approved.

Treasurer Report: Discussed if we were on budget to meet fundraising goals. Discussed grams budget/goals. Will we need a 3rd gram this semester? Discussed spirit store budget/goals. Will look at all budgeted and see where we stand for the year to meet goals.

Committee Reports:

Grams Committee:

No more punch balloons per teachers. Janelle is moving, do we want to do a 3rd grams this semester. Lets look at budgeted income and decide.

Hospitality – Maria had two events in December. Holiday Luncheon – She didn't have access to the room until that morning, which was difficult to get everything complete in time. School staff had to help. Need more volunteers next time. Transportation Breakfast – Linda Donuts called to confirm order but left a message. When Maria showed up to pick up the order was not ready, causing the donuts/tacos to be late for the breakfast. Second time with timing with Lindas Donuts possibly use a different vendor next time. Had enough gift cards for everyone. Gift cards really came through last minute. Both were great events. Next event is May Teacher Appreciation.

Spirit Store:

They will not do the lunch sales on March 23, instead they will have a table at Dodgeball on March 24th. Still need check from inked. Having issues getting payment from them. Charis/Maria to call and request the payment. Possibly order more socks for dodgeball and looking in to lulu bags.

Science Fair:

Next week, need judges

Teacher Birthdays:

Dripbar was today's sponsor. They have a \$99 special for teachers. Spread the word. Donations are dwindling, need to get the word out about donations for these events.

Spirit Nights:

Alexis has a few planned for the next 4 months. Next one is The Twisted Kow on 1/24 and 1/25

Dodgeball Tournament:

Now accepting sponsors. Please spread the word. Registration starts on Monday 1/23. Only accepting 32-36 teams. \$300 per team. Will have concessions and spirit store. Need volunteers, sign up to go out soon. Have requested security. Things seem to be going smoothly with planning. Look at adding additional shirts to formsite for those not on teams?

8th Grade Dance:

PTO to take this over this year. Maxine and Ashley met with Mr. Drew today to discuss location and date. Waiting for Mr. Drew to talk to Mr. Roher for approval. Date TBD but looking at Sunday 5/21.

New Business:

Committee/Board Positions for next year. Kristen W. stepped down. Need to change banking info and cancel card. Need to ask who all is staying on, who is graduating and moving on. Need to recruit 5th grade parents. Possibly shadow the next 4 months so next year is a smooth transition.
